CAPTAIN'S REPORT

5th OCTOBER 2013

Reflecting on the Club's activities over the past year, I have to say that while we are not thriving, we seem to be holding our own member numbers wise and, hopefully, member satisfaction wise. This is a moot point in my opinion, as I get the impression that your Committee seems to run the Club as they think fit, without much input from members. This is not a healthy situation with all the communication flowing down to members and not much coming back!! We need to correct this.

Our normal annual Club events are being well supported while the monthly social meeting is a cause of concern with an average of only 12 members in attendance. It is pleasing to note that our far flung members in East London and Sterkstroom particularly, are very active and enthusiastically pursue the aims and objectives of our Club.

A glance at the highlights of the year must include the excellent support of our members for the 2012 Herald World of Wheels. 22 Club members exhibited 36 motorcycles of the total of 52 which adorned our stand.

This event earned R1800 for our club funds and we again, look forward to member support for the 2013 show on 7th December.

Individual member achievements have been highlighted in the newsletters you have received during the year. As a Club, we celebrate the efforts of our members who promote and publicise the Classic bike movement in general and specifically, our Club.

Together with the members who have served on your Committee during the past year, we look forward to your support for the year ahead.

On the assumption that we will be re-elected, of course!!!

Brian.
