Breakfast Run 18 January 2015

The New Year has got off to a great start and our first ride of the year went off well with great support and perfect weather.

17 riders met at our usual spot at Sunridge Park for our ride out to Maitlands and around the loop past Elephant Walk and back to Apron Strings for coffee and breakfast. The round trip from Sunridge Park to Apron strings was 54 km.

It was great to have such good support on the first ride and we hope that this enthusiasm will prevail for the rest of the year.

Breakfast Run 22 February 2015

Unfortunately our planned ride on Sunday 15 February was washed out due to heavy rain so we had to be patient until the following weekend and hope for better weather.

The wait was well worth it as the following Sunday 22 February we were greeted by perfect weather, a cool windless day for an enjoyable trip to Uitenhage and breakfast at the Wimpy.

There were eleven club riders that met at Sunridge Park for the ride and we were pleased to have three guest riders join us for the morning as well. They were Roy Cawood, Mark Jeppesen and Greg Browne. We must certainly encourage them to join us at our monthly meetings for a natter and cold beer..... or two! I was very impressed with Greg's paint job he had done on his bike... in remembrance of those who had fallen during the "Bush War" up in South West Africa and Angola.

We travelled via Rocklands to Uitenhage and after a tasty breakfast at the Wimpy, we hit the road again back to PE via Redhouse and Swartkops to the N2 and home. The round trip from Sunridge Park to Uitenhage and back home was 92 km.

Cheers, Errol

12th, and the annual Over 30's Chris Dean Memorial Run to Port Alfred on 22/23 April. Contact Roy Cartmel (041-364-1617) to confirm your entries for both events. Time to look forward to our Birthday Bash on 28th June, more about that later, and the monthly PECBR meetings at the Scribante circuit, which have become a must for all bike enthusiasts. As always, thanks to Vince Cook for the funnies. Cheers

EDITORS NOTE.

Greetings all.

Eventually I have produced something akin to a regular Kickstart Newsletter but without all the content I had saved for inclusion. You see, I bought a new software package and much of what I had saved has disappeared into what they call cyberspace.

My new package also has the added option of creating a "cloud" whereby one can store information in a facility off your own PC. So, all I can suggest, is that you study the next Cumulo nimbus formation that you see and say "Hello Kickstart Newsletter" !!

Good to see Dennis Guscott has recovered well from his recent third knee replacement operation and is walking comfortably. We are concerned to hear that Lieb Liebenberg is still in Greenacres with an unusual condition which saw him in ICU for a few weeks.

Wednesday monthly meetings are still attended by the 15/20 faithful and I am still trying to arrange for the showing of some DVD based articles on Café Racers.

Coming soon is the Century Run which is to be combined with our April Sunday ride on

what it will become?

* **Wet**

Q9.. How can a man go eight days without sleeping ?

* **No problem, he sleeps at night.**

Q10. How can you lift an elephant with one hand?

* **You will never find an elephant that has one hand.**

Q11. If you had three apples and four oranges in one hand and four apples and three oranges in other hand, what would you have?

* **Very large hands**

Q12. If it took eight men ten hours to build a wall, how long would it take four men to build it?

***No time at all, the wall is already built.**

Q13. How can u drop a raw egg onto a concrete floor without cracking it?

***Any way you want, concrete floors are very hard to crack.**

Spread some laughter, share the cheer. Let's be happy, while we're here!

MONTHLY RIDE SUNDAY 15TH MARCH 2015.

Perfect day for a bike ride saw 13 starters at Sunridge parking leave on the monthly ride. Roy had planned for us to go to SAMREC at Cape Recife for tea but after a phone call, changed the venue to MonkeyBiz bushpub on Marine Drive. Apparently, SAMREC were releasing a large number of Penguins that day and it was expected that huge crowds would attend.

*We had a very pleasant ride over a familiar but always satisfying route to Marine Drive, ending up at MonkeyBiz for refreshments. This is a rustic, friendly pub where the prices are reasonable and the outdoor atmosphere very inviting. It was good to see Eric Krog riding again after a long break.

Two little kids are in a hospital, lying on beds next to each other, outside the Operating Room. The first kid leans over and asks, 'What are you in here for?' The second kid says, 'I'm in here to get my tonsils out and I'm a little nervous.' The first kid says, 'You've got nothing to worry about. I had that done when I was four. They put you to sleep, and when you wake up they give you lots of Jell-O and ice cream. It's a breeze.' The second kid then asks, 'What are you in here for?' The first kid says, 'A circumcision.' And the second kid says, 'Whoa, good luck with that one, buddy! I had that done when I was BORN...Couldn't walk for a year.'

You didn't shave very well and your tie is crooked.

LIKE LOONEY TUNES.....

That's all folks.

Ride lots and ride safely.
